RETAIN THIS INFORMATION:

Now, with the recent introduction of self-regulation, you may become a practising hypnotherapist through this College in either of TWO ways:

1. Attend a **ten-day Intensive course over a fortnight (ie week-days), plus ONE weekend**, that enables you to attain our **Certificate in Hypnotherapy** and join the **GHR (General Hypnotherapy Register)** as an **Affiliate**. Bear in mind that requirements may come along at some future date that you must complete a full course. We may then be able to train you up, by arrangement, and take into account your previous training with us.

2. Attend our full professional **Diploma in Hypnotherapy** course – meeting the agreed Core Curriculum and Learning Outcomes as mapped to the revised National Occupational Standards for Hypnotherapy, and thereby rendering you eligible, on its successful completion, for Membership of the **GHR**, and Registration with the **CNHC**.

The **Diploma Course** consists of a **ten-day Intensive course over a fortnight (ie week-days), plus FOUR weekends** (a month apart), totalling 120 hours. There is also a substantial amount of home-work – reading, essays, etc (and exams at the end), for the full **Diploma in Hypnotherapy**.

The initial ten week-days over a fortnight, and one weekend, are the SAME for BOTH routes. You may decide which route to take after attaining the Certificate in Hypnotherapy.

N.B. Dr Hearne endeavours to teach most of each course himself.

\*\*\*

We also run occasional intensive courses for a **Certificate in Past-life Therapy & Spirit Release Therapy** for people who are just interested in those fields for self-knowledge, or for suitably qualified therapists wishing to add these fields to their skills. Inevitably in hypnotherapy, some clients spontaneously enter these areas.

## LOCATION

Our courses are usually taught at **Englefield Green**, near **Egham**, Surrey, or at other locations in that area. We can supply a list of local B&B places.

## TIMES

The teaching hours are usually between **10am** and approximately **5.30pm** with a lunch break and short morning & afternoon breaks.

## COURSE FEES

(Non-refundable deposit: **£250**. The balance is to be paid on day 1 of the Course)

**CERTIFICATE IN HYPNOTHERAPY: £1,500** (All students pay this fee).

When you complete the **Certificate** material, you may decide to stay at that point and practise, or continue onto the **Diploma** course. The additional tuition fee then is **£970**, (ie Total Diploma fee is **£2,470**), plus **£150** exam fee – paid at the time of the exam.

**CONTINUATION FEE (From Certificate Course to Diploma Course): £970**  
(In addition, there will later be an exam fee of **£150**).

**CERTIFICATE IN PAST-LIFE THERAPY & SPIRIT RELEASE THERAPY:**  
**£900.** (6 consecutive-days course, Mon-Sat inclusive)

## **PAYMENT**
